Message from the artist

When I was in junior high school, the Ishibashi Memorial Hall was completed in Ueno. There I first heard the sound of a pipe organ made by Kreis, the same manufacturer as the organ in this hall, and was so fascinated that I changed my major to organ several years later. In this concert, I will be performing exam pieces from my high school days, my teacher's arrangements, and pieces I learned in Germany. I hope that the sound of the organ will lead you to a sense of relief in these days of stagnation. – UNAI Chiharu
